Family helpers are always welcome. We love home reader helpers, canteen helpers, uniform helpers, any helpers! We also have a very active P&C committee who work in partnership with our school to achieve goals and work towards supporting best outcomes and resources for all students at PBPS. This includes fundraising, canteen, uniforms, events and lots of other fantastic initiatives. They would love your help and support if you have any time to spare and would love to get involved.

You will be active every day. You will have your sports lessons on Friday – remember to wear your sport shirt and sneakers.
