

Dear Parents/Carers

Our yearly magazine is nearing completion. It is a great memento of your child's wonderful year at school.

The cost this year will be \$14.00 each to cover the cost of printing. As we use a commercial printing company we only print to order.

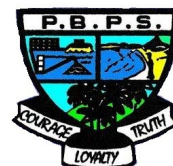

Please complete the order form below and submit with full payment.

The final date for orders will be Wednesday 7 November 2018.

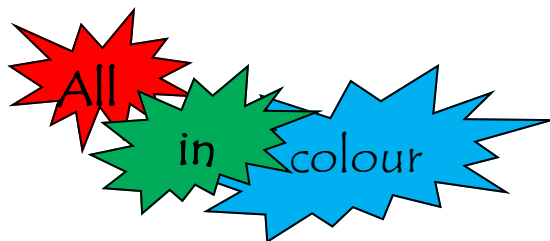

NO late payments can be accepted.

Thank you
