

K-2 Life Education

Dear Parents/Carers

This year our K-2 students have an opportunity to attend the Life Education van.

Life Education is the largest independent Australian health education provider for school children aged 5-13 years. Life Education is a non-government, not-for-profit organisation that works with partner schools to deliver essential curriculum-based lessons empowering children to make safe and healthy lifestyle choices that could impact on their futures. Based on the Australian Curriculum, specialist educators deliver age appropriate programs in mobile classrooms. Healthy Harold, the mascot, helps educators to create a fun and memorable environment.

The programs are contemporary, engaging and highly relevant. We want all Australian kids to be empowered to make the best choices possible when faced with a range of issues. We want them to be safe and healthy. Junior primary modules focus on:

- Food and Nutrition
- Personal safety
- Safety with medicines
- Body Systems
- Social relationships, and
- Physical activity

The fee to attend this program is \$10.00 per student. However, with the support of the Tweed Byron Life Action Group the price has been reduced to **\$5.00 per student**.

Life Education will be at school on the following dates Tuesday 11 June, Wednesday 12 June and Monday 17 through to Wednesday 19 June 2019 and each child will attend one session. If you would like your child to attend the program, please complete the attached form below and return to your child's class teacher by Wednesday 5 June 2019.
