

### INDICATIONS FOR ENROLMENT 2020

Planning of classes for 2020 is now well underway.

Due to the length and challenging process we are seeking your help to confirm the number of students enrolled in Grades 1-6 for next year.

Could you please indicate below your intentions for 2020 with regard to your child's enrolment?

**WE WOULD APPRECIATE IF EVERY FAMILY COULD RETURN THIS FORM AS SOON AS POSSIBLE.**

Family name: \_\_\_\_\_

Child/ren's name:	Current class

☐ I wish to maintain my child/ren's enrolment at Pottsville Beach Public School in 2020

☐ I will not require enrolment for my child/ren at Pottsville Beach Public School in 2020

Comment:

School commences on Wednesday 29 January, 2020 for returning students.

If you will be delayed due to family commitments, the school is required to hold written advice in order to retain the place for your child.

Thank you for your assistance
